

#### **ABOUT OUR COMPANY**

As Seta Çelik, thanks to the experience we have gained in the steel industry since 1998, we have been manufacturing permanent equipment, dam gates and penstocks for Thermal and HEPP power plants, mines and cement factories, special machinery manufacturing, silo and field tanks, pressure vessel manufacturing, grill cleaning machines, weed and waste grinding machines and coal sampling machines, conveyor belt manufacturing and assembly, bunker and pour chutes manufacturing and assembly and We support our customers with our understanding of quality and honest service with various steel construction manufacturing. Our knowledge and skills we gained by growing up in the kitchen of the industry We are trying to gain a corporate identity through our company.

While our company first started to serve in a 60 m2 workshop, it has now moved to its new 1600 m2 workshop. We are taking firm steps towards the determined goals and growing our family day by day by making new teammates on this path. While we started out with 1 white collar and 3 blue collars, we have now become a family of 6 white collars and 17 blue collars. We have full faith that our family will grow even more by working continuously and determinedly in line with our efforts and plans and goals to provide quality service to our customers. Aşağıda Seta Çelik olarak tamamlayıp müşterilerimizin hizmetine sunduğumuz bazı projelerimizin listesi ve de görselleri mevcuttur.

### **OUR COMPLETED PROJECTS**

### • Hydroelectric Power Plants Our Completed Projects

- **2014-** Enerjisa Çambaşı HPP , Regulator Penstock And Branch Installation
- **2015-** Enerjisa Doğan Çay HPP and Regulator 25 mt Steel Bridge Manufacturing and Installation, Fish Passage Cofferdam Cover Manufacturing and Installation, Service Covers Revision and Maintenance Works.
- **2017-** Güleker İnşaat DSİ İmamoğlu irrigation line Manufacturing and installation of cofferdam and mak covers
- **2017-** YBT Enerji Tokmadin HPP 1200 meters Ø1200\*12 mm Penstock Pipe installation
- **2017-** Austrian Georgian Development LLC. Various penstock and reduction manufacturing
- **2018-** Entek Elektrik Üretim A.Ş Azmak ve Kirpilik HPP Cofferdam Cover manufacturing and installation
- **2019-** Enerjisa Bandırma/Balıkesir production plant Maintenance and Revision Works, Steel Manufacturing and Assembly Works
- **2020-** Enerjisa Yamanlı-2 HPP Regulator Suction Cup line manufacturing and installation
- **2020-** Entek Elektrik Üretim A.Ş Kepezkaya HPP Penstock Maintenance Platform manufacturing and installation
- 2022- Entek Elektrik Üretim A.Ş Menzelet Water Intake Structure Revision and Maintenance
- 2022- Entek Elektrik Üretim A.Ş Menzelet Catch Beam Manufacturing
- **2023-** Zeytin HPP Penstock Repair and Seal Replacement
- **2023-** Pamel Elektrik Üretim A.S Sifrin HPP Penstock Repair and Seal Replacement

#### • Our Thermal Power Plants Completed Projects

**2015-** Eren Enerji Zetes1-2-3 Various Revision and Maintenance Works

**2016-** Eren Enerji Zetes 3 Power plant cooling line total of 3000 Tons Ø3750mm\*25mm

Penstock Pipe Assembly and  $\emptyset 3750*25$  mm Elbow Manufacturing and 850 Tons Steel

Manufacturing and Assembly Water Intake Structure Pump Mechanical Assembly

**2016-** Çates Endüstriyel Solid Waste Site water recycling line manufacturing and installation

**2016-** Çates Manufacturing and installation of underboiler covers

**2016-** Çates Tubular type carrier screw manufacturing-installation and commissioning

**2016-** Eren enerji Zetes3 Bunker and Bunker Grid Manufacturing and Revisions Bunker Under-Pallet Carrier Manufacturing and Assembly

2018- Çates DN1000 pipeline, assembly equipment manufacturing and installation

2018- Çates Various HDPE and steel pipeline installation

**2019-** Çates Air line various pipe and support manufacturing and installation

**2019-** Çates RC Line fan duct manufacturing and installation

**2020-** Eren Enerji Zetes-2 Coal Sampling Machine manufacturing-installation and commissioning

**2020-** Çates De-SOx and NOx flue gas cleaning system manufacturing-installation and commissioning

**2023-** Eren Enerji Zetes 1-2-3 2000 meters HDPE560 Pipe Manufacturing and Installation

**2023-** Eren Enerji Zetes 1-2-3 A.Ş Steel Pipe Bridge and Console Manufacturing Assembly (500 tons)

# Biogas Facilities Our Completed Projects

**2020-** Manisa Salihli Biogas Plant ACC-WCC Cooling lines manufacturing

**2022-** Century Ship Services 500 m3 Urea Storage Tank Manufacturing and Installation (Miami/USA)

**2023-** Century Ship Services 3 pieces of 25 m3 65 bar LPG Storage Tanks (Miami/USA)

# • Oil Facilities Our Completed Projects

**2018-** Çelebioğlu Food Crude Oil Squeezing and Refined Oil Plant Installation

**2023-** Çelebioğlu Food crude oil and stock storage tanks.

### • Our Completed Steel Construction Manufacturing

**2014-** Güleker Construction Pipeline Factory Installation

**2015-** Çates Elektrik Üretim A.Ş Various steel construction manufacturing and installations

**2020-** Yatağan Thermal Power Plant 300 m2 closed area steel construction manufacturing and installation

2020- Global Insulation - Africa Madagascar Delivery 1200 M3 Steel Field Tank Manufacturing

**2020-** Sukom Energy Ø1200 Superheated Steam Flue Manufacturing

**2020-** TPIC(Turkish Petroleum International Company) 350 BBL Chemical Tank

Manufacturing with Mixer

**2022-** Çukurova Regional Airport Facade Steel Construction Manufacturing and Installation (2000 tons)
